tives of private sector, experienced in operation of these vessels, to ensure practicability of regulations, and adding subsec. (1). 1984—Subsec. (b)(3). Pub. L. 98–557 substituted "this chapter" for "the exemption".

**Effective Date of 1990 Amendment**

Pub. L. 101–99, title VI, §602(f), Nov. 16, 1990, 104 Stat. 2992, provided that: "This section [amending this section and sections 3302, 3302, 5102, 8104, and 8702 of this title, and enacting provisions set out as a note under section 7906 of this title] is effective on the date of enactment of this section [Nov. 16, 1990] except as follows:"

(1) The requirements imposed by section 3302(c)(4)(B) and (C) of title 46, United States Code, (as enacted by subsection (b) of this section) is effective 6 months after the date of enactment of this Act.

(2) Before January 1, 1990, section 4502(c) (as amended by subsection (c) of this section) does not apply to a fish tender vessel engaged in the Aleutian trade, if the vessel—

(A) before September 8, 1990, operated in that trade; or

(B) does not undergo a major conversion.

(3) Before January 1, 2003, a fish tender vessel is exempt from chapter 51 of title 46, United States Code, (as amended by subsection (d) of this section) when engaged in the Aleutian trade, if the vessel—

(A)(i) before September 8, 1990, operated in that trade; and

(B) does not undergo a major conversion.

(4) The requirements imposed by section 4503 of this title (as applied to a vessel to which section 4502(b) of this title applies that—

(A) is at least 50 feet overall in length, and

(B) does not undergo a major conversion.

§4503. Fishing, fish tender, and fish processing vessel certification

(a) A vessel to which this subsection applies may not be operated unless the vessel—

(1) meets all survey and classification requirements prescribed by the American Bureau of Shipping or another similarly qualified organization approved by the Secretary; and

(2) has on board a certificate issued by the American Bureau of Shipping or that other organization evidencing compliance with this subsection.

(b) Except as provided in subsection (d), subsection (a) applies to a fish processing vessel to which this chapter applies that—

(1) is built after July 27, 1990; or

(2) undergoes a major conversion completed after that date.

(c)(1) Except as provided in paragraph (2), subsection (a) applies to a vessel to which section 4502(b) of this title applies that is at least 50 feet overall in length and is built after July 1, 2013.

(2) Subsection (a) does not apply to a fishing vessel or fish tender vessel to which section 4502(b) of this title applies, if the vessel—

(A) is at least 50 feet overall in length, and

(B) does not undergo a major conversion.

(d)(1) After January 1, 2020, a fishing vessel, fish processing vessel, or fish tender vessel to which section 4502(b) of this title applies shall comply with an alternate safety program that is developed in cooperation with the commercial fishing industry and prescribed by the Secretary, if the vessel—

(A) is at least 50 feet overall in length;

(B) is built before July 1, 2013; and

(C) is 25 years of age or older.

(2) A fishing vessel, fish processing vessel, or fish tender vessel built before July 1, 2013, that undergoes a major conversion completed after the later of July 1, 2013, or the date the Secretary establishes standards for an alternate safety program, shall comply with such an alternate safety program that is developed in cooperation with the commercial fishing industry and prescribed by the Secretary.

(3) Alternative safety compliance programs may be developed for purposes of paragraph (1) for specific regions and fisheries.

(4) Notwithstanding paragraph (1), vessels owned by a person that owns more than 30 vessels subject to that paragraph are not required to meet the alternate safety program requirements of that paragraph until January 1, 2020, if that owner enters into a compliance agreement with the Secretary that provides for a fixed schedule for all of the vessels owned by that person to meet requirements of that paragraph by...
that date and the vessel owner is meeting that schedule. (5) A fishing vessel, fish processing vessel, or fish tender vessel to which section 4502(b) of this title applies that was classed before July 1, 2012, shall—

(A) remain subject to the requirements of a classification society approved by the Secretary; and

(B) have on board a certificate from that society.

(e) The requirements referred to in subsection (c)(2)(B)(i)(I) are the following:

(1) The vessel is designed by an individual licensed by a State as a naval architect or marine engineer, and the design incorporates standards equivalent to those prescribed by a classification society to which the Secretary has delegated authority under section 3316 or another qualified organization approved by the Secretary for purposes of this paragraph.

(2) Construction of the vessel is overseen and certified as being in accordance with its design by a marine surveyor of an organization accepted by the Secretary.

(3) The vessel—

(A) completes a stability test performed by a qualified individual;

(B) has written stability and loading instructions from a qualified individual that are provided to the owner or operator; and

(C) has an assigned loading mark.

(4) The vessel is not substantially altered without the review and approval of an individual licensed by a State as a naval architect or marine engineer before the beginning of such substantial alteration.

(5) The vessel undergoes a condition survey at least twice in 5 years, not to exceed 3 years between surveys, to the satisfaction of a marine surveyor of an organization accepted by the Secretary.

(6) The vessel undergoes an out-of-water survey at least once every 5 years to the satisfaction of a certified marine surveyor of an organization accepted by the Secretary.

(7) Once every 5 years and at the time of a substantial alteration to such vessel, compliance of the vessel with the requirements of paragraph (3) is reviewed and updated as necessary.

(8) For the life of the vessel, the owner of the vessel maintains records to demonstrate compliance with this subsection and makes such records readily available for inspection by an official authorized to enforce this chapter.

(f) Not later than 10 years after the date of the enactment of the Coast Guard Authorization Act of 2016, the Secretary shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate a report that provides an analysis of the adequacy of the requirements under subsection (e) in maintaining the safety of the fishing vessels and fish tender vessels which are described in subsection (c)(2) and which comply with the requirements of subsection (e).

(2) If the report required under this subsection includes a determination that the safety requirements under subsection (e) are not adequate or that additional safety measures are necessary, then the Secretary may establish an alternative safety compliance program for fishing vessels or fish tender vessels (or both) which are described in subsection (c)(2) and which comply with the requirements of subsection (e).

(3) The alternative safety compliance program established under this subsection shall include requirements for—

(A) vessel construction;

(B) a vessel stability test;

(C) vessel stability and loading instructions;

(D) an assigned vessel loading mark;

(E) a vessel condition survey at least twice in 5 years, not to exceed 3 years between surveys;

(F) an out-of-water vessel survey at least once every 5 years;

(G) maintenance of records to demonstrate compliance with the program, and the availability of such records for inspection; and

(H) such other aspects of vessel safety as the Secretary considers appropriate.

(g) For the purposes of this section, the term “built” means, with respect to a vessel, that the vessel's construction has reached any of the following stages:

(1) The vessel’s keel is laid.

(2) Construction identifiable with the vessel has begun and assembly of that vessel has commenced comprising of at least 50 metric tons or one percent of the estimated mass of all structural material, whichever is less.

**§ 4507. Penalties**

(a) The owner, charterer, managing operator, agent, master, and individual in charge of a vessel to which this chapter applies which is operating in violation of this chapter or a regulation prescribed under this chapter may each be assessed a civil penalty by the Secretary of not more than $5,000. Any vessel with respect to which a penalty is assessed under this subchapter is liable in rem for the penalty.

(b) A person willfully violating this chapter or a regulation prescribed under this chapter shall be fined not more than $5,000, imprisoned for not more than one year, or both.

*So in original. Probably should be section “4506(a)”.*
§ 4508. Commercial Fishing Safety Advisory Committee

(a) The Secretary shall establish a Commercial Fishing Safety Advisory Committee. The Committee—

(1) may advise, consult with, report to, and make recommendations to the Secretary on matters relating to the safe operation of vessels to which this chapter applies, including navigation safety, safety equipment and procedures, marine insurance, vessel design, construction, maintenance and operation, and personnel qualifications and training;

(2) may review proposed regulations under this chapter;

(3) may make available to Congress any information, advice, and recommendations that the Committee is authorized to give to the Secretary; and

(4) shall meet at the call of the Secretary, who shall call such a meeting at least once during each calendar year.

(b) [1] The Committee shall consist of eighteen members with particular expertise, knowledge, and experience regarding the commercial fishing industry as follows:

(A) ten members who shall represent the commercial fishing industry and who—

(i) reflect a regional and representational balance; and

(ii) have experience in the operation of vessels to which this chapter applies or as a crew member or processing line worker on a fish processing vessel;

(B) three members who shall represent the general public, including, whenever possible—

(i) an independent expert or consultant in maritime safety;

(ii) a marine surveyor who provides services to vessels to which this chapter applies; and

(iii) a person familiar with issues affecting fishing communities and families of fishermen;

(C) one member each of whom shall represent—

(i) naval architects and marine engineers;

(ii) manufacturers of equipment for vessels to which this chapter applies;

(iii) education or training professionals related to fishing vessel, fish processing vessel, or fish tender vessel safety or personnel qualifications;

(iv) underwriters that insure vessels to which this chapter applies; and

(v) owners of vessels to which this chapter applies.

(2) At least once each year, the Secretary shall publish a notice in the Federal Register and in newspapers of general circulation in coastal areas soliciting nominations for membership on the Committee, and, after timely notice is published, appoint the members of the Committee. An individual may be appointed to a term as a member of the Committee more than once. The Secretary may not seek or use information concerning the political affiliation of individuals in making appointments to the Committee.

(3)(A) A member of the Committee shall serve a term of three years.

(B) If a vacancy occurs in the membership of the Committee, the Secretary shall appoint a member to fill the remainder of the vacated term.

(C) The Committee shall elect one of its members as the Chairman and one of its members as the Vice Chairman. The Vice Chairman shall act as Chairman in the absence or incapacity of, or in the event of a vacancy in the office of, the Chairman.

(D) The Committee shall, and any other interested agency may, designate a representative to participate as an observer with the Committee. These representatives shall, as appropriate, report to and advise the Committee on matters relating to vessels to which this chapter applies which are under the jurisdiction of their respective agencies. The Secretary's designated representative shall act as executive secretary for the Committee and perform the duties set forth in section 10(c) of the Federal Advisory Committee Act (5 App. U.S.C.).

(E) [1] The Secretary shall, whenever practicable, consult with the Committee before taking any significant action relating to the safe operation of vessels to which this chapter applies.

(2) The Secretary shall consider the information, advice, and recommendations of the Committee in consulting with other agencies and the public or in formulating policy regarding the safe operation of vessels to which this chapter applies.

(d) [1] A member of the Committee who is not an officer or employee of the United States or a member of the Armed Forces is entitled to receive—

(A) compensation at a rate fixed by the Secretary, not exceeding the daily equivalent of the current rate of basic pay in effect for GS–18 of the General Schedule under section 5332 of title 5 including travel time; and

(B) travel or transportation expenses under section 5703 of title 5.

(2) Payments under this section do not render a member of the Committee an officer or employee of the United States or a member of the Armed Forces for any purpose.

(3) A member of the Committee who is an officer or employee of the United States or a member of the Armed Forces may not receive additional pay based on the member's service to the Committee.

(4) The provisions of this section relating to an officer or employee of the United States or a member of the Armed Forces do not apply to a member of a reserve component of the Armed Forces unless that member is in an active status.

(2) Two years prior to the termination date referred to in paragraph (1) of this subsection, the
Committee shall submit to Congress its recommendation regarding whether the Committee should be renewed and continued beyond the termination date.
